

Safely Dispose of Unwanted Prescriptions and Over the Counter Medicines

The Taylor Substance Abuse Prevention Task Force is partnering with local police agencies to host

National Take Back Initiative Saturday, April 30, 2011

Resolving to clean out your medicine cabinet this year is a good idea. Hanging onto unused medications can increase the chances of taking the wrong one and old drugs can lose their potency or end up in the wrong hands. They can be accidentally taken by children or even stolen out of garbage cans. And throwing them away only hurts our environment because the chemicals can leak into our groundwater. Here's your chance to dispose of them properly.

Take back your expired or unused prescriptions and over the counter medications to these sites:

The Taylor Substance Abuse Prevention Task Force is a coalition of concerned persons who are invested in the health, safety and success of the Taylor community. We believe in no illegal or high risk use of alcohol, tobacco, or other drugs and we support this belief through collaborative, proactive prevention efforts.

Please join us at our meetings held the 2nd Wednesday of the month from 10-11:30am at Taylor Free Methodist Church (8900 Pardee Road)
