

## 2006 Women's Tournament Results

The 9th Annual Women's Golf Tournament, hosted by Taylor Meadows Golf Club, on Sunday, June 4, 2006 was a pleasurable event! We had 32 women participate (16 Teams) in this 2-person scramble. All participants had a wonderful time and the ladies gave countless compliments about the service, the course, the flowers (they absolutely loved), the dinner, the staff and the overall tournament. They can't wait until next year!

The weather turned out great for our 2006 event. We started out with a bit of rain and the cart rule was cart path only until 12pm. But the rain ended quickly, the sun shined bright, and we ended up with a warm, sunny day!
