Most people pick up the game of golf to have fun. Shortly there after, they come to the realization that, at times, it can be very frustrating. This was our inspiration for the first

ever "Par 3 Shootout". Our goal for the Par 3 Shootout was to have FUN, and thanks to our competitors and staff, we were able to achieve our goal. A large part of the fun was surprise factor-the tee locations and pin placements.

The first place winners each won a \$90 gift certificate for Taylor Meadows. The next four places in the tournament received gift certificates as well. Five Closest-to-the-Pin Contest winners were also awarded.
