Instructions for Completing Application
 General: Plumbing work shall not be started until the application for the permit has been filed. All installations shall be in conformance with the Plumbing Code. No work shall be concealed until it has been inspected. When ready for an inspection call the building department with the job location and permit number.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled with no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspections
CANCELLED PERMITS CANNOT BE REFUNDED OR REINSTATED.

The Department will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, marital status, disability or political beliefs. If you need help with reading, writing, hearing, etc. under the American With Disability act you may make your needs known to this department.
